

Medicare Supplement

It's no secret that while it gives basic **protection** against health care **costs**, **Medicare** won't **cover** all your **medical expenses** or the **costs**. The truth is Medicare was designed as an 80/20 plan. Meaning that Medicare only covers about 80% of the covered medical expenses and the other 20% is up to you. To **help** with this **cost-sharing** and the items that **Medicare** does not cover, **Legionnaires, just like you**, have chosen one of the **Medicare Supplement Plans offered through the LIT's Medicare Supplement partner, medicare.com, powered by EHealth.**

Other great reasons for choosing the Legionnaire Insurance Trust plans:

- The **trust** placed in these plans—Legionnaire Insurance Trust regularly monitors the program.
- The excellent **value** the plans provide for the price—the Medicare Supplement plans have a competitive rate. Only top rated insurance carriers are in the program.
- The **convenience** and exceptional service whenever you need it—whether you're preparing to enroll, have questions about your benefits, and especially when it comes to efficient claims payment—get answers to your questions over the phone or online.

Where can you **get more information** on selecting a **Medicare Supplement** plan? You will receive prompt, personal and responsive service from courteous license representative ready to answer your questions.
