TERMINATION OF INSURANCE

A Covered Person's insurance automatically ends on the first of the following dates:

- (1) The date you terminate this Policy;
- (2) The date the Grace Period ends if all premiums due have not been paid.

We may terminate this Policy on the first day of any policy month by giving the Primary Insured at least 90 days advance written notice.

Termination of coverage will not prejudice any claim originating prior to termination subject to all other terms of this Policy.

PREMIUMS

We provide insurance coverage in return for premium payment. Premiums are paid to us on or before the due date.

PREMIUM CHANGES We have the right to change the premium rates on any premium due date. We will provide written notice at least 45 days before the date of change. The premium rates may also be changed at any time the terms of this Policy are changed, but not more than once in a 12 month period.

Premiums may be paid monthly, quarterly, semi-annually, or annually. The premium mode may be changed upon request. Upon our approval, the change will be made.

GRACE PERIOD This Policy has a 31day grace period for the payment of each premium due after the first premium. Coverage will continue in force during the grace period. It will terminate at the end of the grace period if all premiums which are due are not paid. We will require payment of all premiums for the period this coverage continues in force including the premiums for the grace period.

REINSTATEMENT OF INSURANCE If we terminate insurance for nonpayment of premium, you may reinstate coverage within 90 days following the last unpaid premium due date. The reinstated coverage will not cover a loss which occurred during the lapse period. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than 60 days prior to the date of reinstatement.

UNPAID PREMIUM When a claim is paid for a loss incurred during the Grace Period, any premium due and unpaid may be deducted from the claim payment.

GENERAL PROVISIONS

BENEFICIARY CHANGES You may name any person to be your Beneficiary at the time of enrollment. You may change your Beneficiary at any time. When we receive and record the change request, it will take effect as of the date you signed it. If you die prior to the date we receive and record the change, any payment we make to the new Beneficiary will be valid. The prior Beneficiary's interest ends the date the new designation takes effect.

If more than one Beneficiary is named without stating their respective interests, they will share equally. If a Beneficiary dies before you, that interest ends. The Beneficiaries that survive will share equally unless you make a written request to the contrary.

CLERICAL ERROR Clerical errors or delays in keeping records for this Policy will not deny insurance which would otherwise have been granted; nor extend insurance which otherwise would have ceased and call for a fair adjustment of premium and benefits to correct the error.

CONFORMITY WITH MONTANA STATUTES The provisions of this Policy conform to the minimum requirements of Montana law and control over any conflicting statutes of any state in which you reside on or after the effective date of this Policy.

ENTIRE CONTRACT; CHANGES This Policy, your application, and any other attachments is the entire contract between us. Any statement you make is a representation and not a warranty. No statement will be used by us to void or reduce benefits unless that statement is a part of the written application.

This Policy may be changed at any time by written agreement between us. No change or waiver of any of the provisions of this Policy will be valid unless made in writing by us, signed by our president, vice president, secretary or assistant secretary, and provided to you at least 45 days in advance. No agent or other person has the authority to change or waive any provisions of this Policy.

INCONTESTABILITY After your coverage under this Policy has been in force for two years, it can only be contested for non-payment of premiums. No statement you make can be used in a contest after your insurance has been in force two years during your lifetime. No statement you make can be used in a contest unless it is in writing and signed by you.

MISSTATEMENT OF AGE If the age of a Covered Person has been misstated in the application for insurance under this Policy, the benefits payable will be those which the premiums paid would have purchased based upon his correct age, otherwise, there will be an equitable adjustment of premiums.

NONPARTICIPATING This Policy is a nonparticipating Policy; it does not share in our surplus.

OPTIONAL SETTLEMENT METHODS You, or the Beneficiary after the Covered Person's death, may elect to have loss of life benefits paid in installments. Such election must be sent to us in writing. The amounts and terms of the installments will be those which we offer at the time of election.

WORKER'S COMPENSATION This Policy is not a Worker's Compensation Policy. It does not satisfy any requirement for coverage by Worker's Compensation Insurance.

CLAIM PROVISIONS

NOTICE OF CLAIM We must be given written notice of claim within 180 days after a covered loss occurs. If notice cannot be given within that time, it must be given as soon as reasonably possible.

The notice must contain the Covered Person's name and enough information to identify him. Notice may be mailed to our Home Office or to our agent.

CLAIM FORMS When we receive notice of claim, the Covered Person will be sent forms to file proof of loss. If the forms are not sent within 15 days after we receive notice, then the Covered Person will meet the proof of loss requirements by giving us a written statement of the nature and extent of the loss. This must be sent to us within the time limit stated in the Proof of Loss provision.

PROOF OF LOSS Written proof must be sent to us within 90 days after the date the loss occurs. If it was not reasonably possible to give us written proof within 90 days, we will not reduce or deny a claim for this reason, if proof is filed as soon as reasonably possible.

PAYMENT OF CLAIMS Claims for benefits provided by this Policy will be paid within 60 days after receipt of written proof of loss. If benefits are paid after the first 30 days, the payment shall include interest from the 30th day until date of payment. Interest shall be paid at the discount rate on 90-day commercial paper in effect at the Federal Reserve Bank in the Ninth Federal Reserve District at the time of proof of loss.

Your loss of life benefits will be paid in accordance with the beneficiary designation in effect at the time of payment. If there is no such designation or no surviving beneficiary, the loss of life benefits will be paid in one lump sum to the first surviving class of the following classes of beneficiaries:

- a) lawful spouse;
- b) child(ren), in equal shares;
- c) parents, in equal shares;
- d) siblings, in equal shares.

If there is no surviving member of any of the above classes, the benefits will be paid to your estate.

Any payment we make in good faith will fully discharge us to the extent of that payment.

The benefits can be paid in one lump sum or at your written request, in accordance with one of our available settlement plans. If you have not chosen any such settlement plan, the beneficiary can do so after your death. The beneficiary should request in writing to be paid from an available settlement plan. We must agree to the plan chosen.

RIGHT TO RECOVERY If payments for claims exceed the maximum amount payable under any benefit provisions of, or Riders to, this Policy, we have the right to recover the excess of such payments.

PHYSICAL EXAMINATION AND AUTOPSY At our expense, we have the right to have the Covered Person examined as often as necessary while a claim is pending. At our expense, we may require an autopsy unless the law forbids it.

LEGAL ACTIONS No legal action may be brought to recover against this Policy within 60 days after written proof of loss has been given. No such action will be brought after three years from the time written proof of loss is required to be given.
