

"My husband stepped out for some fresh air, then I heard a loud thud ...

We were rushed to the hospital where he was diagnosed with a broken bones and two spinal obstructions."

Fortunately, we had purchased the Legionnaire Emergency Assistance Plus® (EA+) plan for our travels!

We were in London, and after 2 hospitals and 39 days in a rehab facility, Michael was released to travel and EA+ coordinated our

return. They provided a nurse escort to monitor Michael on the trip home, an ambulance to the airport, then to the rehabilitation facility so Michael could continue his recovery.

Thank you, EA+! You gave me the freedom to focus on Michael and the relief of not having to make all the arrangements myself.
