## DEFINITIONS

When used in this Certificate, the following words and phrases have the meaning given. The use of any personal pronoun includes both genders.

**CANCER** means a disease manifested by the presence of a malignant neoplastic disorder characterized by: (1) the uncontrolled growth and spread of malignant cells; (2) the invasion of tissue; (3) leukemia; or (4) Hodgkin's disease.

Cancer must be Positively Diagnosed by a Physician certified by the American Board of Pathology to practice Pathologic Anatomy, or by an Osteopathic Pathologist. The diagnosis must be on the basis of:

- (1) a microscopic examination of fixed tissues; or
- (2) preparations from the hemic system.

Such diagnosis must be made while the Covered Person is alive or during post-mortem examination. The pathologist's judgment must be based solely on the criteria of malignancy accepted either by the:

- (1) American Board of Pathology; or
- (2) Osteopathic Board of Pathology.

Such diagnosis must be made after a study of the histocytologic architecture or pattern of the suspect tumor, tissue or specimen. We will accept clinical evidence if it substantially documents the diagnosis of Cancer, provided a pathological confirmation of the diagnosis cannot otherwise be made because it is not medically appropriate or would be life threatening.

**CONFINED OR CONFINEMENT** means that the Covered Person is a registered bed patient in a Hospital and is charged room and board by the facility. He must be in the facility on the advice of a Physician and under the regular care and treatment of a Physician.

Confined or Confinement shall also include a stay in any Hospital owned or operated by the Federal Government, regardless of whether room and board are charged.

Confined or Confinement shall also include a stay of no less than 24 continuous hours in an observation area within a hospital. Observation area shall not include treatment in an emergency room.

Confinement does not include treatment received in the Outpatient department of the facility. Outpatient treatment means service rendered for a period of less than 24 hours.

**COVERED PERSON** means the insured Member and his insured Dependents, if any.

**DEPENDENT** means your spouse, unless you are legally separated, civil union partner or registered domestic partner.

A spouse who is insured under the Policy as a Member will not be eligible as a Dependent.

**HOSPITAL** means an institution which meets all of the following requirements:

- (1) it must be operated according to law;
- (2) it must give 24 hour medical care, diagnosis and treatment to the sick or injured on an in-patient basis for which a charge is made;
- (3) it must provide diagnostic and surgical facilities supervised by Physicians;
- (4) Registered Nurses must be on 24 hour call or duty;
- (5) the care must be given either on the Hospital's premises or in facilities available to the Hospital on a pre-arranged basis.

A Hospital is not a rest, convalescent, extended care, rehabilitation or skilled nursing facility. It is not a place which primarily treats mental illness, alcoholism or drug addiction; nor does it include any ward, wing or other section of the Hospital that is used for such purposes. It is not a facility where, in the absence of insurance, there is no legal obligation to pay.

Hospital includes a Hospital owned or operated by the Federal Government, regardless of whether room and board are charged.

**ILLNESS PERIOD** means the period beginning when the Covered Person first incurs covered expenses while the Policy is in force. If no additional covered expenses are incurred by the Covered Person for 90 consecutive days, a new Illness Period will begin if such expenses are incurred after the expiration of those 90 consecutive days

**INJURY** means bodily Injury caused by an accident. The accident must be unintended, unexpected and unforeseen and occur while the Covered Person's insurance is in force under this Policy. The Injury must be the direct cause of loss and must be independent of all other causes. The Injury must not be caused by or contributed to by Sickness.

**INPATIENT** means Medically Necessary treatment, services, and supplies rendered to a Covered Person while Confined in a Hospital.

**MEDICALLY NECESSARY** means care which a Physician has determined to be certifiably essential for the diagnosis or treatment of a Sickness or Injury. This determination must be based on objective results produced by an examination of the insured's demonstrable symptoms. The Physician's treatment plan may be reviewed by an impartial third party whose determination will be binding on us and the insured.

**MEMBER** means a member of the Policyholder who has been accepted by us and has paid any required premium. The terms "you", "your" and "yours" mean the Member.

**NURSE** means Registered Graduate Nurse (R.N.), Licensed Practical Nurse (L.P.N.), or Licensed Vocation Nurse (L.V.N.).

A Covered Person and his immediate family will not be considered a Nurse.

**OUTPATIENT** means Medically Necessary treatment, services, and supplies rendered to a Covered Person while not an Inpatient in a Hospital.

**PHYSICIAN** means a person licensed by the state in which he is resident to practice the healing arts. He must be practicing within the scope of his license for the service or treatment given.

A Covered Person and his immediate family will not be considered a Physician.

**POLICY** means the group policy issued to the Policyholder providing the benefits described.

**POLICYHOLDER** means the legal entity in whose name the Policy is issued, as shown on the Schedule.

**POLICY MONTH** means the period of time starting on the first day of the month; it ends on the last day of the same month.

**POSITIVELY DIAGNOSED or POSITIVE DIAGNOSIS** means microscopic examination of fixed tissue or preparations from the hemic system (either during life or post-mortem). The pathologist establishing the diagnosis shall base his or her judgment solely on the criteria of malignancy as accepted by the American Board of Pathology or the Osteopathic Board of Pathology after a study of the histocytologic architecture or pattern of the suspect tumor, tissue or specimen. Clinical diagnosis of cancer will be accepted as evidence that cancer exists when a pathological diagnosis cannot be made, provided such medical evidence substantially documents the diagnosis of Cancer and the Covered Person receives treatment for Cancer.

**SCHEDULE** means the Schedule of Benefits.

**SICKNESS** means an illness or disease of the mind or body.

**SKIN CANCER** means a malignant neoplasm originating in the skin.

## **ELIGIBILITY AND EFFECTIVE DATE OF INSURANCE**

### **ELIGIBILITY**

All Members and their Dependents are eligible to apply for insurance as Covered Persons.

With respect to new Members and Dependents, persons who have not been medically treated for or advised of Cancer within the 5 years prior to the Effective Date of Coverage are eligible for this Cancer insurance.

### **EFFECTIVE DATE OF INSURANCE**

Issuance of a certificate is not a waiver of any of the following conditions.

**MEMBERS and DEPENDENTS** You and your Dependent will become insured under the Policy at the beginning of the Policy Month following acceptance by us of your application and the first premium.

**EFFECTIVE DATE** The Effective Date of Coverage will be shown on the certificate.

**DEFERRED EFFECTIVE DATE** If a Covered Person is Confined for any condition in a Hospital or an institution which provides medical care and treatment on the date his insurance would otherwise become effective, he will be insured the day following formal discharge from the Hospital or institution.

## **CHANGES IN COVERAGE**

If after your Effective Date of Insurance, you add an eligible Dependent or request a change in the benefits for a Covered Person, the Effective Date of Insurance for the new coverage will be the beginning of the Policy Month following our acceptance of the application or change request, subject to the payment of any additional required premium.

If a new eligible Dependent is added or if the change request increases the amount of coverage or adds new benefits, then:

- (1) The Effective Date of Insurance will be deferred if the Covered Person is Confined in a Hospital or an institution which provides medical care and treatment on the date the insurance would otherwise become effective. The change will be effective the day following formal discharge from the Hospital or institution.
- (2) The Pre-Existing Condition Limitation and Benefit Waiting Period will apply to the new Covered Person or increase in benefits from the Effective Date of the change in insurance, but will not apply to coverage already in force.

## **CANCER INSURANCE BENEFIT**

Except as provided under Exclusions, we will pay benefits according to the Schedule for Cancer that manifests itself while the Covered Person is insured under the Policy and any attached Riders. These benefit payments will begin for covered expenses incurred up to 90 days before the date the first pathological diagnosis is made.

If the Covered Person receives treatment for Cancer but Positive Diagnosis is not made during his lifetime, we will make payment if Positive Diagnosis is made after death. This payment will begin for covered expenses incurred up to 90 days before the date of diagnosis by a Certified Pathologist.

## **HOSPITAL CONFINEMENT DAILY BENEFIT**

Upon receipt of due proof that a Covered Person is Hospital Confined for the treatment of Cancer, we will pay the benefit shown on the Schedule for each day of Confinement. The benefit is subject to the Overall Lifetime Maximum Benefit Amount.

## **EXCLUSIONS**

Benefits will not be paid under the Policy or any attached Rider for any loss caused by, resulting from or contributed by:

- (1) Injury or Sickness other than Cancer;
- (2) treatment or services performed outside of the United States.

## **PRE-EXISTING CONDITION LIMITATION**

No benefits will be payable for the Covered Person's Pre-Existing Conditions. A Pre-Existing Condition is defined as any condition (except Skin Cancer) that was Positively Diagnosed or for which medical treatment, consultation, advice, care or services was sought within 5 Years prior to the Covered Person's Effective Date of Coverage.

The Company has a right to rescind or void a Covered Person's insurance coverage if the Company finds that the Covered Person had a Pre-existing Condition. Any premiums paid for that Covered Person will be refunded.

## **BENEFIT WAITING PERIOD**

Benefits are not payable for Cancer diagnosed and treated within the first 30 days the Covered Person has been insured. However, benefits for treatment or services related to such Cancer are payable after coverage has been in force for twelve consecutive months from the Effective Date.

## **INDIVIDUAL TERMINATION OF INSURANCE**

Your insurance automatically ends on the first of the following dates:

- (1) The date the Policy is terminated;
- (2) The premium due date you fail to pay the required premium, except as provided in the Grace Period;
- (3) The premium due date after you are no longer a member of the Policyholder;

The insured Dependent's insurance automatically ends on the first of the following dates:

- (1) The date your coverage terminates;
- (2) The premium due date after the Covered Person ceases to be an eligible Dependent.

If you die while insured under the Policy, your spouse may continue coverage if insured. Your spouse's premium will be based on his attained age.

## **EXTENSION OF BENEFITS**

If the Covered Person's coverage terminates for any reason, except non-payment of premium and prior to termination the Covered Person received treatment for Cancer for which benefits are payable under the Policy, the Covered Person will receive payments for the duration of any Hospital Confinement just as if coverage had not ended, provided, any Confinement starts within 90 days after the termination date, and Confinement is due to the same Cancer for which a Covered Person received treatment before this termination date.

No additional premium is needed for the extended benefit payments after termination of coverage.

## **PREMIUMS**

We provide insurance coverage in return for premium payment. Premiums are payable by you. Your first premium is due on the Effective Date shown on the Schedule. Premiums are paid to us on or before the due date.

**PREMIUM CHANGES** We have the right to change the premium rates on any premium due date. We will provide written notice at least 31 days before the date of change. The premium rates may also be changed at any time the terms of the Policy are changed.

Premiums may be paid monthly, quarterly, semi-annually, or annually. The premium mode may be changed upon request. Upon our approval, the change will be made.

**GRACE PERIOD** This Certificate has a 31 day Grace Period for the payment of each premium due after the first premium. Coverage will continue in force during the Grace Period. It will terminate at the end of the Grace Period if all premiums which are due are not paid. We will require payment of all premiums for the period this coverage continues in force including the premiums for the Grace Period.

**REINSTATEMENT OF INSURANCE** If we terminate insurance for nonpayment of premium, you may reinstate coverage within 90 days following the last unpaid premium due date. You must pay all overdue premium. The reinstated Policy will not cover a loss which occurred during the lapsed period.

**UNPAID PREMIUM** When a claim is paid for expenses incurred during the Grace Period, any premium due and unpaid may be deducted from the claim payment.

## **GENERAL PROVISIONS**

**CONFORMITY TO LAW** Any provision of this Certificate which is in conflict with the laws of the state in which it is issued is amended to conform with the laws of that state.

**INCONTESTABILITY** After your coverage under the Policy has been in force for two years, it can only be contested for non-payment of premiums. No statement you make can be used in a contest after your insurance has been in force for two years during your lifetime. No statement you make can be used in a contest unless it is in writing and signed by you.

**MISSTATEMENT OF AGE** If the age of a Covered Person has been misstated in the application for insurance under the Policy, the benefits payable will be those which the premiums paid would have purchased based upon his correct age, otherwise there will be an equitable adjustment of premiums.

**NONPARTICIPATING** The Policy is a nonparticipating Policy; it does not share in our surplus.

**POLICY CHANGES** The Policy may be changed at any time by written agreement between us. No change or waiver of any of the provisions of the Policy will be valid unless made in writing by us and signed by our president, vice president, secretary or assistant secretary. No agent or other person has the authority to change or waive any provisions of the Policy.

**WORKER'S COMPENSATION** The Policy is not a Worker's Compensation Policy. It does not satisfy any requirement for coverage by Worker's Compensation Insurance.

## **CLAIM PROVISIONS**

**NOTICE OF CLAIM** We must be given written notice of claim within 20 days after a covered loss occurs. If notice cannot be given within that time, it must be given as soon as reasonably possible.

The notice must contain the Covered Person's name and enough information to identify him. Notice may be mailed to our Home Office or to our agent.

**CLAIM FORMS** When we receive notice of claim, you will be sent forms to file proof of loss. If the forms are not sent within 15 days after we receive notice, then you will meet the proof of loss requirements by giving us a written statement of the nature and extent of the loss. This must be sent to us within the time limit stated in the Proof of Loss provision.

**PROOF OF LOSS** Written proof must be sent to us within 90 days after the date the loss occurs. If it was not reasonably possible to give us written proof within 90 days, we will not reduce or deny a claim for this reason if it was shown that written proof of loss was given as soon as reasonably possible.

**PAYMENT OF CLAIMS** Claims for benefits provided by the Policy will be paid as soon as written proof is received.

All benefits are paid directly to you, unless you direct us otherwise. Any accrued benefits unpaid at your death will be paid in one lump sum to the first surviving class of the following classes of beneficiaries:

- a) lawful spouse;
- b) child(ren), in equal shares;
- c) parents, in equal shares;
- d) siblings, in equal shares.

If there is no surviving member of any of the above classes, the benefits will be paid to your estate.

Any payment we make in good faith will fully discharge us to the extent of the payment.

**RIGHT TO RECOVERY** If payments for claims exceed the maximum amount payable under any benefit provisions or riders of the Policy, we have the right to recover the excess of such payments.

**PHYSICAL EXAMINATION AND AUTOPSY** At our expense, we have the right to have the Covered Person examined as often as necessary while a claim is pending. At our expense, we may require an autopsy unless the law forbids it.

## Important Notice

Securian Life Insurance Company  
400 Robert Street North, St. Paul, MN 55101-2098

---

**DISTRICT OF COLUMBIA  
LIFE & HEALTH INSURANCE GUARANTY  
ASSOCIATION ACT OF 1992  
Summary Of General Purposes And  
Current Limitations Of Coverage**

Residents of the District of Columbia should know that licensed insurers who sell health insurance, life insurance, and annuities in the District of Columbia are members of the District of Columbia Life and Health Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to provide statutorily-determined benefits associated with covered policies and contracts in the unlikely event that a member insurer is unable to meet its financial obligations and is found by a court of law to be insolvent. When a member insurer is found by a court to be insolvent, the Guaranty Association will assess the other member insurers to satisfy the benefits associated with any outstanding covered claims of persons residing in the District of Columbia. However, the protection provided through the Guaranty Association is subjected to certain statutory limits explained under "Coverage Limitations" section, below. In some cases, the Guaranty Association may facilitate the reassignment of policies or contracts to other licensed insurance companies to keep the coverage in-force, with no change in contractual rights or benefits.

### COVERAGE

The Guaranty Association, established pursuant to the Life and Health Guaranty Association Act of 1992 ("Act"), effective July 22, 1992 (D.C. Law 9-129; D.C. Official Code § 31-5401 *et seq.*), provides insolvency protection for certain types of insurance policies and contracts.

The insolvency protections provided by the Guaranty Association is generally conditioned on a person being 1) a resident of the District of Columbia and 2) the individual insured or owner under a health insurance, life insurance, or annuity contract issued by a member insurer, or insured under a group policy insurance contract issued by a member insurer. Beneficiaries, payees, or assignees of District insureds are also covered under the Act, even if they reside in another state.

### COVERAGE LIMITATIONS

The Act also limits the amount the Guaranty Association is obligated to pay. The benefits for which the Guaranty Association may become liable shall be limited to the lesser of:

- The contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer; or
- With respect to any one life, regardless of the number of policies, contracts, or certificates:
  - \$300,000 in life insurance death benefits for any one life; including net cash surrender or net cash withdrawal values;
  - \$300,000 in the present value of annuity benefits, including net cash surrender or net cash withdrawal values;
  - \$300,000 in the present value of structured settlement annuity benefits, including net cash surrender or net cash withdrawal values;
  - \$300,000 for long-term care insurance benefits;
  - \$300,000 for disability insurance benefits;
  - \$500,000 for basic hospital, medical and surgical insurance, or major medical insurance benefits;
